Numbers are not yet final as not all people have paid. We have 50 confirmed and paid yet six more people have indicated they will attend. We need firm numbers to tell the Tides.

NCCC Governor: Paul Lassonde

Paul has been working with NCCC as to our club membership. We have 54 paid NCCC members but 5 have not paid club members.

We need to reconcile the disparity in membership. There are also 15 current members that have not renewed.

We need to get our membership renewed!

Old / New Business

There was a question as to who has seen the revised by-laws. There appears to be an e-mail issue.

There was talk of revising the club logo. It was universally felt that the current logo is fine and the cost of replacing it was excessive.
